Re: Lot 328, Phase 8

Dear Mr. Lohrman:

The Architectural Review Committee members at their meeting on July 8, 2009 did not approve of your solar roof panels because the panels are not permitted by the Creekside CC&Rs.

If you wish to object to this ruling, you may want to attend a Creekside Homeowner Board meeting to discuss this issue. If you want to schedule a meeting with the Board, please call Nancy LaVoie at 1-800-382-1347 to schedule a meeting.

Sincerely,

J. Warren Carvin
Creekside Homeowner Rep.
