

Stepping into the grand, 2-story high entry with open-railed hall above, you'll start to experience the comfortably inviting elegance and craftsmanship that await you.

The living room is a chameleon that can be a cozy space for relaxing with a book, intimate space for a small group, or expand for larger gatherings.

Private dining room (~ 12'x15') enjoys views across the back yard and the greenbelt beyond.

Great room arrangement of the kitchen, family room and nook.

Private den/nanny quarters with 3/4 bath located on main floor.

"Old-fashioned" upstairs gathering space design joins the 4 bedrooms.

Master wing is a special retreat privately located on one end of the second floor.

Clean crisp 5-piece master bath with walk-in closet and pleasant territorial view.

Oversized deck has both privacy provided by adjoining greenbelt and some territorial view.
